## INVESTING IN POSSIBILITY FOR THE NEXT 80 YEARS

For 80 years, Eagle Valley Children’s Home has been a place of heart, hope, & home—a constant for children and adults with intellectual and developmental disabilities, and a lifeline for the families and community who love them. The **Heart, Hope & Home 80th Anniversary Gala** is both a celebration and a opportunity: honoring eight decades of care while investing in the next 80 years of stability, possibility, and belonging.

# JOIN US FOR OUR INAUGURAL GALA

## HEART, HOPE & HOME

AN EVENING OF CHOCOLATE, WINE AND HEART

**Our inaugural gala** will bring together longtime supporters, community leaders, families, and friends to honor our past, celebrate our present, and invest in our future. Proceeds from the evening will support the preservation of our programs, the families we serve, our historic campus, and the broader community that extends far beyond our walls.

**Sponsorship support** directly sustains the place our residents call home, strengthens families who depend on our services, and preserves a legacy of compassionate care. This evening is a celebration as well as an opportunity to shape the next 80 years--ensuring that lives are supported, families are not alone, and our community continues to stand strong for individuals with disabilities for generations to come.

## OUR MISSION

Since 1946, Eagle Valley Children's Home has opened its doors and heart to children, adults, and families in the Reno-Carson region, offering them hope where before there was none, and possibility for the future. The mission of Eagle Valley Children's Home is to provide the highest quality of services to individuals with intellectual and developmental disabilities through Residential and Respite Programs. Today, our home remains the only Intermediate Care Facility (ICF) for people with disabilities in the great state of Nevada.

## OUR PROGRAMS

**Residential Program** provides 24-hour, 7-days-a-week individualized care to children and adults with complex needs. From basic daily living support and specialized medical and physical care, to skills-building training, we help our residents live more meaningful lives through care that is delivered with dignity, compassion, and respect.

**Respite Program** offers critical relief to families in the Reno-Carson region who care for children and adults with disabilities at home. By providing trusted, high-quality care, we give caregivers the precious gift of time -- time to rest, recharge, and tend to their own well-being.

## BY THE NUMBERS (2025)

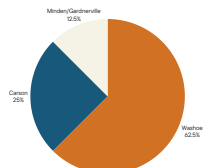

80 years of un-interrupted service

18 clients, ages 5-55 years old, received care & support in Residential Program
